**Director**

Pushapraj Singh Bhamra serves as the Director of Information Technology at DCI, bringing over 19 years of experience in the technology sector. He has worked across various major industries with particular enjoyment derived from finance, law, and healthcare sectors.

Push earned his degree from California State Polytechnic University, Pomona. During his studies there he not only absorbed a wealth of information but also learned how to effectively combine common sense with scientific principles.

Before joining DCI in 2022, Pushapraj (Push) dedicated most of his time to establishing and growing PushIT Solutions--a Managed Service Provider (MSP). This organization helped create an ecosystem within various industries that emphasized cybersecurity measures along with policy development and operational efficiency.
