

Terence LeGare

Senior Account Executive

Terence joined DCI in August of 2022 on the digital team with a focus on developing digital strategies, and executing on paid media tactics. Since joining DCI Terence has worked on various client verticals such as Healthcare, Finance, Retail, Education, Manufacturing, and Tech.

Terence has a background in Brand marketing with experience marketing in the Real Estate and Gaming (gambling) industry prior to joining DCI. With a recent promotion to Senior Account Executive, Terence has shown successfully transferred his skillset over to the policy space.

During his time at DCI he has enjoyed developing strategies, executing on them and seeing how digital work influences real world events.

Terence can be found watching Eagles games, cycling or playing with his 2 Mini Goldendoodles.
